Re: Formal Recognition of Your Election as President of Xiong United, Inc. (2026–2029)

Dear **Dr. Tswj Hue Xiong**,

As the current presidential term of Xiong United, Inc.—along with the terms of all officers, board members, honorary advisors, and regular advisors—concludes on December 31, 2025, it is my honor to formally recognize your leadership and the beginning of your administration.

On behalf of the outgoing administration, I hereby **officially acknowledge and congratulate you on your election as President of Xiong United, Inc.** You will assume full authority and responsibility for the organization beginning **January 1, 2026**, and will serve through **December 31, 2029**.

My administration is deeply grateful for the opportunity to have served alongside Xiong leaders and families at the national, state, local, and community-group levels. The Xiong Clan continues to demonstrate unity, strength, and cooperation. Without the unwavering support of the Xiong community, our administration could not have accomplished the goals and progress realized over these past years.

As you prepare to begin your term, we extend our sincere hope that your administration will continue to work closely with Xiong families across the United States and throughout the many countries where our community lives. We trust that under your leadership, Xiong United, Inc. will continue advancing its mission, strengthening community relationships, and achieving its long-term goals.

Please accept my heartfelt congratulations on your election. I am confident you will lead Xiong United, Inc. with distinction and dedication throughout the 2026–2029 term.

Chue Wang Xiong

President
